Centre, Bengaluru, Karnataka

South India's leading event on packaging, printing & converting industry

www.packplussouth.in

Print Fair | **INDIA PACKAGING SHOW** | **SupplyPlus South** | **CartonTech**

The total packaging, printing & converting industry show of Southern India

In its 12th edition at Bengaluru, the Show will feature latest innovations and developments from packaging and allied industries, giving a global business & networking platform to the participating exhibitors and visitors.

Industry

The Packaging Industry in India is expected to register a CAGR of approximately 26.7% during the period (2021-2026). The demand for packaging is growing due to the rising population, increasing income levels, changing lifestyles, increased media penetration through the internet, television, and growing economy. Moreover, it is one of the strongest growing sectors in the country.

The rapid growth of the market is primarily driven by the pharmaceuticals and foods and beverages industries.

South India – Some interesting facts!

- Annual economic growth of the country is 8%; in South India, it is 17%.
- 36% of the National Agricultural produce is from South India.
- South India is the largest producer of spices in India
- 75% of India's total coconut produce comes from South India.
- South India grows 48% India's entire cotton produce.
- It has emerged as the largest consumer of 'polyethylene terephthalate' (PET) material for packaging mineral water.
- A strong pharma hub with strong infrastructure of research facilities and scientists.
- Dairy product packaging constitutes a large portion of the South India Packaging Industry.
- Abundant tea production in South India brings prospects in paper bag packaging industry.

Opportunities are huge! PackPlus South will provide an excellent business & networking for the Packaging, Converting & Printing Industry.
